

AeroKart RetailOps - Procurement Policy (Corrugated) (Internal)

PC1 Concentration cap: No single corrugated supplier may exceed 70% of total corrugated spend at any plant.

PC2 Dual-source: Each plant must keep at least 2 active corrugated suppliers in FY2025 (unless approved exception).

PC3 Benchmark discipline: All index-linked escalators must use the official BLS PPI series for corrugated and solid fiber box manufacturing (via FRED).

Footnote A (Exception): DieCut_48ECT at SAT3 may be single-sourced up to 80% if QA waiver is present (waiver not provided in this pack).
